PLACE ACQUIRED

25X1

1. The following radar sets are located south of Knapendorf and north of the runway of Merseburg airfield:

- a. 1 Token;
- b. 2 Knife Rests;
- c. 1 small "wire brush" type (no details available).

2. The rate of revolutions of the Token set varied considerably, depending on the date of observation. On 8 August, one revolution took 11 seconds; on 11 August, 8 seconds; and on 3 September (at 1700 hours), 10 seconds. On other days when the set was in operation, one revolution usually took between 14 and 15 seconds. The set invariably rotated in a clockwise direction. No operating personnel were observed near the set when it was working.
